

## **CALL FOR APPLICATIONS**

### **PROJECT OFFICER FOR ENVIRONMENTAL PROTECTION Ref. n°: EMSA/AD/2011/01**

The European Parliament and Council Regulation (EC) No 1406/2002<sup>1</sup> provides the legal basis for the establishment of the European Maritime Safety Agency (EMSA).

The goal of the Agency is to provide technical and scientific assistance to the European Commission and the Member States on matters relating to the proper implementation of European Union legislation on maritime safety and pollution by ships. To do this, one of EMSA's tasks is to improve cooperation between Member States in all key areas. This includes undertaking a range of actions related to design, construction and operation of all types of merchant and fishing vessels.

In April 2004 EMSA was also given some additional tasks by the European Council and the European Parliament related to oil pollution response, ship security and training of seafarers.

EMSA invites you to send your application for the recruitment process of Project Officer for Environmental Protection. The position will be attached to Department B 'Implementation', Unit B.3. 'Marine Environment, Training and Statistics'.

More information about the Agency and its structure and activities can be found on our website: <http://www.emsa.europa.eu>

#### **Functions and Duties:**

The successful candidate, reporting to the Head of Unit, will be:

- Providing the unit with input of relevant European and international laws pertaining to the protection of the marine environment and maritime safety.
- Providing the Head of Unit with information and assistance on matters of marine environment protection. Most specifically on issues regarding:
  - Port reception facilities for ships' waste and cargo residues;
  - Ship recycling.

The successful candidate's functions would include:

- Preparing analyses and reports on the implementation and development of EU legislation on the above-mentioned issues;
