

CALL FOR APPLICATIONS

SENIOR PROJECT OFFICER FOR HORIZONTAL ANALYSIS **Ref. n°: EMSA/AD/2012/04**

The European Parliament and Council Regulation (EC) No 1406/2002¹ provides the legal basis for the establishment of the European Maritime Safety Agency (EMSA).

The goal of the Agency is to provide technical and scientific assistance to the European Commission and the Member States on matters relating to the proper implementation of European Union legislation on maritime safety and pollution by ships. To do this, one of EMSA's tasks is to facilitate cooperation between Member States and between Member States and the Commission in all key areas. This includes undertaking a range of actions related to design, construction and operation of all types of merchant and fishing vessels.

In April 2004 EMSA was also given some additional tasks by the European Council and the European Parliament related to oil pollution response, ship security and training of seafarers.

EMSA invites you to send your application for the recruitment process of Senior Project Officer for Horizontal Analysis. The position will be attached to Department B 'Implementation'.

More information about the Agency and its structure and activities can be found on our website: <http://www.emsa.europa.eu>

Functions and Duties:

Reporting to the Head of Department B, the Senior Project Officer for Horizontal Analysis will be responsible for:

- Working with the inspectors responsible for the inspection of each Recognised Organisation (RO) under the relevant sector leader in Unit B.1 to produce (for each RO) an end-of cycle summary report and a draft end-of-cycle assessment against the relevant EU maritime legislation for submission to the European Commission;
- Preparing the horizontal analysis of identified cycles of EMSA inspection reports into the implementation of EU maritime legislation;
- Preparing and conducting assessment team meetings and working with the responsible EMSA experts on particular issues related to the horizontal assessment process;
- Drafting the text for the final horizontal analysis report;
- Ensuring the quality of the final draft report.
