

## **Pilot Project task 3: Capacity building on Coast Guard Functions**

*Closing workshop of the pilot project "Creation of a  
European coastguard function" - Lisbon, 2 June 2017*

## Pilot project key facts

- End of 2015: European Parliament pilot project proposal anticipating the creation of a European Coastguard function
- Pilot Project budget: 750.000 Euro
- 4 tasks:

Task	Topics	Activities	Agency
TASK 1	Sharing information	<ul style="list-style-type: none"><li>• Fusing and analysing data</li></ul>	EMSA (coord.)
TASK 2	Surveillance services	<ul style="list-style-type: none"><li>• Remotely piloted aircraft systems</li><li>• Maritime Patrol Aircraft etc.</li></ul>	EMSA FRONTEX
TASK 3	Capacity building	<ul style="list-style-type: none"><li>• Guidelines, recommendations &amp; best practices</li></ul>	EFCA (coord.)
TASK 4	Capacity sharing	<ul style="list-style-type: none"><li>• Multipurpose operations</li></ul>	FRONTEX (coord.) EFCA

## Task 3 Objectives

- To develop **Outline of Guidelines** on inter-EU agencies cooperation including practical information, contact details, operational setup, best practices and expertise gained by the three Agencies;
- To assess the feasibility and eventually design a concept for **voluntary staff exchange**;
- To assess the added value of attending **training courses** provided by other parties and feasibility/added value of organising **joint training courses** for various stakeholders.

# Outline of guidelines

## Mapping phase (Jan-Jun 2016)

Creation of a table indicating who/which organisational unit in the three Agencies is supporting/involved in which EU Coastguard function.

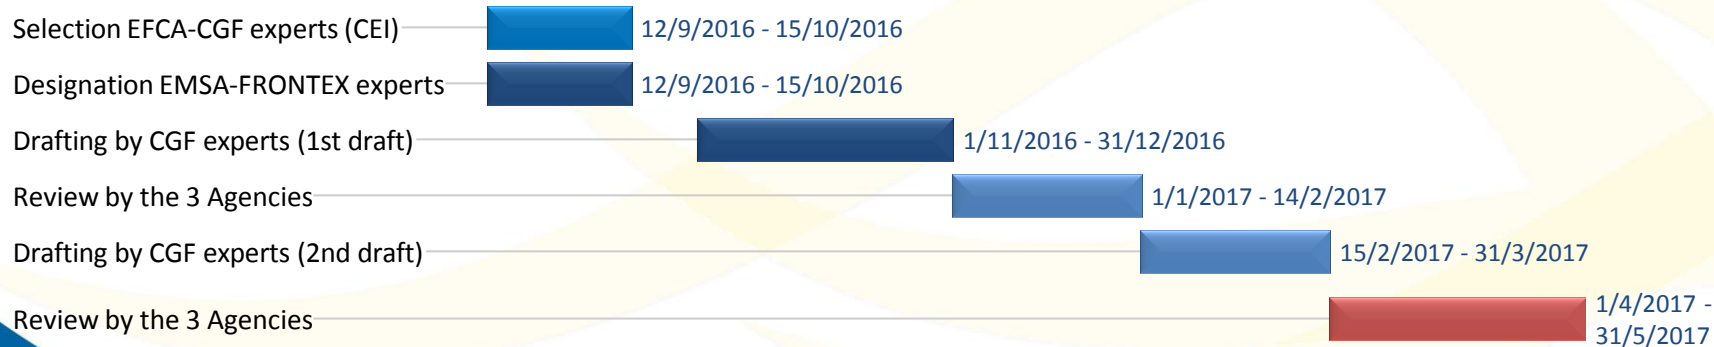

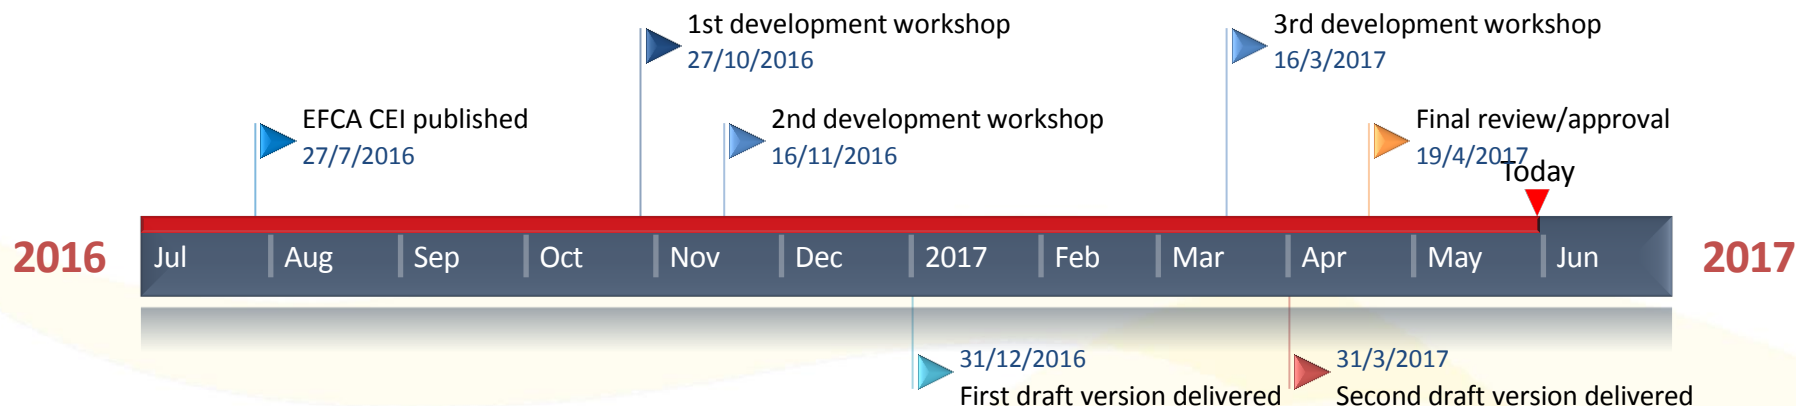

List the current Service Level Agreements (SLAs) on collaboration between the three Agencies.

List/map already available or ongoing coastguard function handbooks or guidelines relevant to the three agency Guidelines on inter EU collaboration.

# Outline of guidelines

## Development phase (Jul 2016-Jun 2017)

# Outline of guidelines

## High-level Structure

### **1. INTRODUCTION**

### **2. LEGAL REFERENCES**

### **3. AREAS AND MODALITIES FOR COOPERATION**

3.1. Operational Cooperation

3.2 Training

3.3 Situational Awareness

3.4 Research and Development

### **4. ANNEXES**

4.1 List of existing Service Level Agreements (SLAs), by 19 April 2017

4.2 List of existing Guidelines and Handbooks, by 19 April 2017

4.3. Tables of identified areas for cooperation with comments

4.4 Summary table of the three EU Agencies units involved in Coast Guard Functions

# Training activities - Agencies cooperation

## EFCA, EMSA, Frontex workshop (April 2016)

Mapping of existing training courses in EFCA, EMSA, FRONTEX

Based on already available training courses in the Agencies, evaluation of needs for a joint multi-operational course in the future

Assessment feasibility/added value of:

- Inter-Agency mutual attendance to trainings
- Organising Inter-Agency joint trainings

# Training activities

## Possible agencies courses of mutual interest

### EMSA

- Port State Control Officers Seminar
- Education and certification of seafarers (basic)
- Integrated Maritime Services for EU agencies & other bodies
- Tailor-made training provided on request to specific users
- Maritime Knowledge Centre system (E-learning)

### EFCA

- Introduction to Fisheries Inspection based on the EFCA core curriculum
- Identify the Entity to Inspect based on the EFCA core curriculum
- Surveillance based on the EFCA core curriculum
- Mediterranean Training Seminar

### FRONTEX

- Maritime Border Surveillance Officer
- False Documents Detection
- Risk Analysis
- NCC (EUROSUR) Operators Training

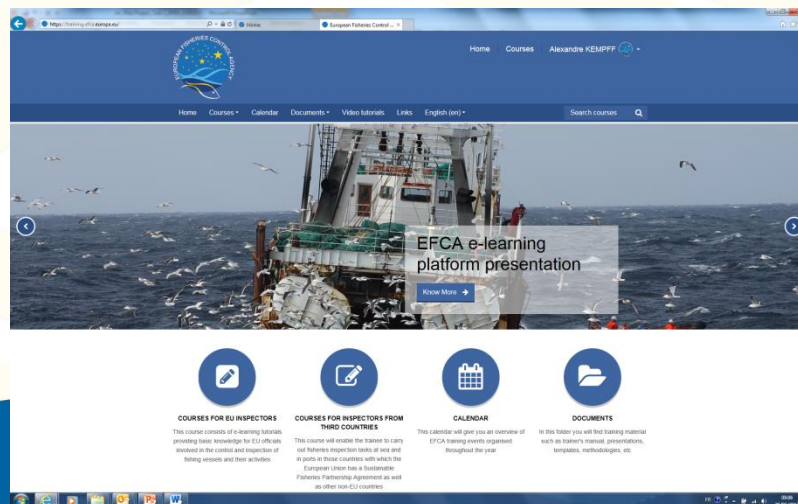

# Training activities

## Possible agencies courses of mutual interest

- EFCA training catalogue including EMSA and FRONTEX staff as possible beneficiaries of selected EFCA courses
- EFCA e-learning platform made available to EMSA and FRONTEX staff (email/domain name)

CATALOGUE OF TRAINING COURSES PROPOSED BY EFCA  
2017 version

Specific inspection training based on the EFCA Core Curricula (Vol. 3): "Introduction to fisheries inspection"	
Trainers	EFCA officials
Topics covered	Basic elements on: <ul style="list-style-type: none"><li>- Fisheries inspection in the Common Fisheries Policy (CFP) context;</li><li>- Management and conservation measures;</li><li>- Control;</li><li>- Inspection and proceedings;</li><li>- Illegal, Unreported and Unregulated fisheries (IUU);</li><li>- Markets;</li><li>- European Maritime and Fisheries Fund (EMFF).</li></ul>
Course objectives	This introductory course will give trainees an overview of the CFP and the main concepts, definitions, and methodologies used. It will also help them to understand the background of the CFP and the terminology used.
Duration	1-2 days
Class size	Max. 20 participants
Potential beneficiaries (see Annex)	Member States officials (Proficiency level PL1 "Awareness" and PL2 "Trained") <b>Officials from other EU Agencies (FRONTEX, EMSA).</b>

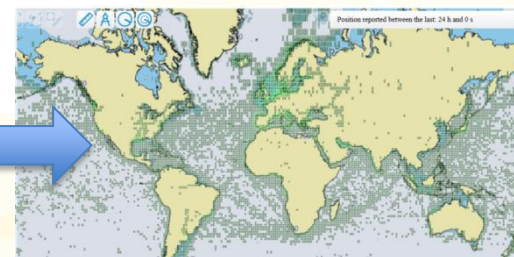

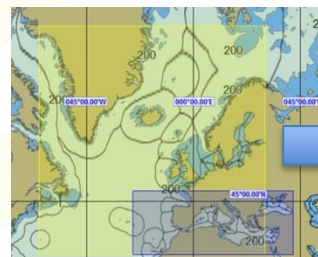

# Integrated Maritime Services

## Training/project cooperation

- Joint training capability, e.g. with training **courses of mutual interest**
- EMSA training to EFCA (2016) and MS (2017 “world-wide” version) staff on how to use the **Integrated Maritime Services**

EMSA training for EFCA (2016)
