Question 01 (dated 27/1/2014, 08:21):

Dear Sirs,

Referring to sales announcement of 6 oil water separators please provide us more data regarding the Jowa 3SEP OWS:

- Capacity of the OWS
- Serial number.

Please advise as well if the separator is tested and approved according to MEPC107(49) and if it has complete operation and maintenance manual with all the necessary certificates

Best regards

Answer to question 01 (published on 29/1/2014)

The capacity of the JOWA 3SEP OWS is 10 m<sup>3</sup>/h as indicated in in point 3.1 of the Technical Report (annex 3).

The serial numbers are 070125-805 and 070125-806.

The equipment is an oily bilge water in accordance with IMO MEPC 107(49).

The operations manual and the maintenance manual along with the relevant certificates are with the vessel contractor, Ship Management Company Limited (Falzon Group).

---
