

## **Data Protection Statement/Privacy Statement on the processing of personal data in the context of the Speed Networking Initiative: "Empowered Women Empower Women"**

The protection of privacy is of high importance to the European Maritime Safety Agency ('EMSA'). EMSA is responsible for the personal data it processes. Therefore, we are committed to respecting and protecting the personal data of every individual and to ensuring efficient exercising of data subject's rights. All the data of personal nature, namely data that can identify an individual directly or indirectly, will be handled fairly and lawfully with the necessary due care.

This processing operation is subject to Regulation (EU) No. 2018/1725 of the European Parliament and of the Council on the protection of individuals with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data. The information in this Privacy Statement is given pursuant to Articles 15 and 16 of the Regulation (EU) No. 2018/1725.

### **1. Nature and the purpose(s) of the processing operation**

As part of EMSA's ongoing commitment to fostering diversity and gender balance, EMSA annually organises an internal call for volunteers for the "Empowered Women Empower Women" Speed Networking Initiative, a significant component of the Gender Action Plan 2022-2025 adopted on 26 September 2022.

The "Empowered Women Empower Women" Speed Networking Initiative offers women from the general public who are interested in a job at EMSA or in the maritime sector the opportunity to have an informative and informal talk with female employees about their careers at EMSA. The primary goal is to stimulate interest among women in EMSA and the maritime sector, ultimately boosting the number of female applicants for all EMSA vacancies.

A call for volunteers is organised via a form on emsanet to gather female colleagues interested in dedicating some of their working time to this initiative. Registrations are then opened on the EMSA website for a period of around 3-4 weeks. On a first-come, first-served basis, applicants are offered the opportunity to have this informal talk with one of the female EMSA staff member volunteers. HR will help match the applicant's field of interest with the professional background of the EMSA counterparts. An online meeting will be scheduled by the EMSA volunteer to offer the female applicant this exclusive opportunity to address questions to a female colleague at EMSA. A reserve list will be created and used if applicants from the original list do not attend their networking session.

EMSA will not reuse the personal data for another purpose that is different to the one stated above.
