

European Maritime Safety Agency

European Maritime Safety Agency

Consultative Network for
Technical Assistance (CNTA)
3rd meeting

**Proposals for training on
Environmental issues**

Lisbon - 2nd July 2008

1

European Maritime Safety Agency

Training on:
Environmental issues

2nd CNTA Meeting

Request for a more in-depth training in the EU maritime legislation complementing the courses for newcomers on EU maritime legislation

2

European Maritime Safety Agency

Training on:
Environmental issues

Background:

Many environmental obligations are imposed by EU legislation on ships calling at European ports.

Such EU legislation also provide for controls of ships to be undertaken in port.

3

European Maritime Safety Agency

Training on:
Environmental issues

EU legislation:

Directives 1999/32/EC and 2005/33/EC

Directive 2005/35/EC

Regulation 782/2003/EC

Directive 2000/59/EC

4

 **EMSA** / European Maritime Safety Agency

Training on:
Environmental issues

Scope:

The aim of the training would be to provide the attendees with a general overview of the main obligation and responsibilities to be met and the procedures to be followed for guarantying an effective enforcement of the relevant EU legislation

5

 **EMSA** / European Maritime Safety Agency

Training on:
Environmental issues

Possible attendees:

Officials from MS's maritime administrations dealing with environmental issues

6

 **EMSA** / European Maritime Safety Agency
