European Maritime Safety Agency

Consultative Network for Technical Assistance (CNTA)

3rd meeting

Proposals for training on education and certification of seafarers

Lisbon - 2nd July 2008

1

European Maritime Safety Agency

Training on:

TRAINING AND CERTIFICATION OF SEAFARERS

2nd CNTA Meeting

Request for a more in-depth training in the EU maritime legislation complementing the courses for newcomers on EU maritime legislation

2

European Maritime Safety Agency

Training on:

TRAINING ON EDUCATION AND CERTIFICATION OF SEAFARERS

A proper implementation of the directive 2001/25 requires a very good understanding of principles and procedures related to the education and training of seafarers

Some aspects, particularly those not directly related to the certification of seafarers as, for instance, standards for instructors and evaluators, quality systems, etc are often not dealt with during training seminars

3

European Maritime Safety Agency

Training on:

TRAINING ON EDUCATION AND CERTIFICATION OF SEAFARERS

Proposed content:

- Introduction to IMO and the EU legislation in relation to education and certification of seafarers
- Quality and monitoring activities in maritime education
- Course review and examination processes
- Certification activities and verification of on-board training
- Fraud, penalties and company responsibility
