

# Updates on the implementation of the FuelEU Maritime Regulation

# Development of secondary legislation

- Implementing act on the FuelEU database – *to be published in October 2025*
- Implementing act on neighbouring transshipment ports – *revised version to be published in December 2025*
- Draft IA on OPS communication – *to be published in Q1 2026*

# Guidance documents

**Under development; be published in Q4 2025**

## **General guidance document**

- Support implementation of the FuelEU Maritime Regulation
- Explain requirements in non-legislative language
- Provide additional information

Target audience: Shipping companies

## **Guidance document Certification of Actual non-CO2 TtW EF**

# IMO Net-Zero Framework and impacts on FuelEU Maritime

## IMO NZF - integrated measure:

1. Global fuel standard for gradually reducing the GHG intensity of marine fuels
2. Pricing part of the GHG emissions from international shipping

**Vote on adoption in mid-October!**

FuelEU and (ETS Maritime) include clear **obligations for producing a report on the interaction between IMO and EU measures** and **potential legislative proposal for alignment:**

“..need to avoid duplicating regulation of GHG emissions from maritime transport at Union as well as international level..”

“..preserving the environmental integrity and effectiveness of the Union climate action...”

# Supporting initiatives under development

- **Sustainable Transport Infrastructure Plan (STIP)**

To be published end October

- **European maritime industrial strategy -**

Feedback period completed by 28 July, planned for January 2026

<https://ec.europa.eu/info/law/better-regulation/have-your-say/initiatives/14745-EU-industrial-maritime-strategy-en>

- **Port Strategy**

Feedback period completed by 28 July, planned for January 2026

<https://ec.europa.eu/info/law/better-regulation/have-your-say/initiatives/14659-EU-Ports-Strategy-eny>

# Other sources of information

## Sources available to stakeholders besides the planned guidance document

- The Commission's website on FuelEU Maritime
- The Questions and Answers
- The EMSA tutorials and webinars on the use of THETIS

## Useful email addresses

- For questions on THETIS and IT matter:
