

ANNEX - curriculum vitae of Mr Jeroen Witter

**Netherlands Shipping
Inspectorate**

Jeroen Witter graduated as a Maritime Officer (dual system) in the year 2001. After several functions with commercial organisations he joined the Netherlands Shipping Inspectorate (now part of the Human Environment and Transport Inspectorate) in 2003 as a surveyor for the maritime certification department. After most of the certification services were delegated to the Recognised Organisations in 2006, he transferred to the enforcement division.

Date
27 March 2026

Since 2007 he started working in an advisory role dealing with all flag State related matters and participating in IMO meetings.

Since 2011, he was appointed as CNTA focal point for the Netherlands and as alternate EMSA Board Member. In his current function as coordinating advisor, he is also the Coordinator International Affairs (Shipping) for the Inspectorate and dealing with Coast Guard and Custom matters. Furthermore, he is part of the Kingdom Maritime Administration dealing with all maritime affairs for the overseas part of the Kingdom.

Last but not least, he is an active IMSAS auditor for the IMO since 2015.
